POST-EVENT KIT

Your post-event kit refers to the non-event clothing you turn up to Fjällmaraton Gastronomi in and want to have back at the finish—don't confuse this section with the obligatory equipment.

When you collect your number, you will receive a sticker with the same number on it. Stick this number on your **own** bag containing clean clothes for after the event.

Drop this bag at the designated spot at the start and these will be transported by the organisers to the finish arena in Ottsjö.

SHOWERS & TOILETS

There's a bathing spot in the lake, located around 700 metres from the finish arena in Ottsjö. Toilets will be available in both the start and the finish zones.

ACCOMMODATION

We suggest booking accommodation at Trillevallens Högfjällshotell or in Ottsjö where the finish arena is located, as there will be transport options running between the start and finish.

- If you wish to pull out of the event, you have to inform the nearest staffed checkpoint.
- All participants must be aware of the inherent risks when competing in an off-road event like this. Any seriously injured participants will be escorted to safety as quickly as possible by the event's designated first-aid staff, however, weather and terrain conditions can affect the speed with which a rescue can be carried out. As such, it is essential that everyone adheres to the obligatory kit list.
